La Pro League et SOS Villages d'Enfants lancent un grand mouvement social.

Pro League en SOS Kinderdorpen lanceren een uniek sociaal project.

- Le football est le sport le plus pratiqué en Belgique et dans le monde.
- Le football ne fait pas de différence raciale ou sociale.
- Le football attire un grand public et fait bouger les choses.
- Le football est un tremplin idéal pour la réalisation de projets.
- Voetbal is de sport nummer 1 in België én in de wereld.
- Voetbal kent geen raciale of sociale ongelijkheid.
- Voetbal spreekt een breed publiek aan en kan zaken veranderen.
- Voetbal is daarom de ideale hefboom om iets gerealiseerd te krijgen.

La Pro League a tout de suite réalisé que 16 clubs, à eux seuls, ne pouvaient pas sauver le monde mais qu'ensemble, un mouvement social peut être déclenché: Sport4Change. Grâce au sport, on participe à la construction d'un monde meilleur.

Echter als Pro League beseften we zeer snel dat 16 clubs alleen de wereld niet kunnen redden, maar samen met anderen kunnen we wel een grote beweging op gang brengen: Sport4Change. Via de sport bouwen we mee aan een betere wereld.

Dans ce dynamisme, la Pro League s'est liée avec SOS Villages d'Enfants, une organisation qui se mobilise depuis des années pour les enfants vulnérables dans le monde. L'élargissement du mouvement à la Coupe du Monde 2018 comme à l'Union Belge du Football (par l'équipe nationale) fait des émules partout dans le monde du sport.

In onze zoektocht kwamen we al snel terecht bij SOS Kinderdorpen, een organisatie die al jaren voor de meest kwetsbare der aarde opkomt.

Het opentrekken van ons project naar zowel Stichting WK 2018 als de KBVB (via de nationale ploeg) krijgt nu al een vervolg naar de ganse sportwereld.

La Pro League s'en réjouit. L'objectif n'est pas de marquer des buts mais de réussir ensemble ce mouvement social.

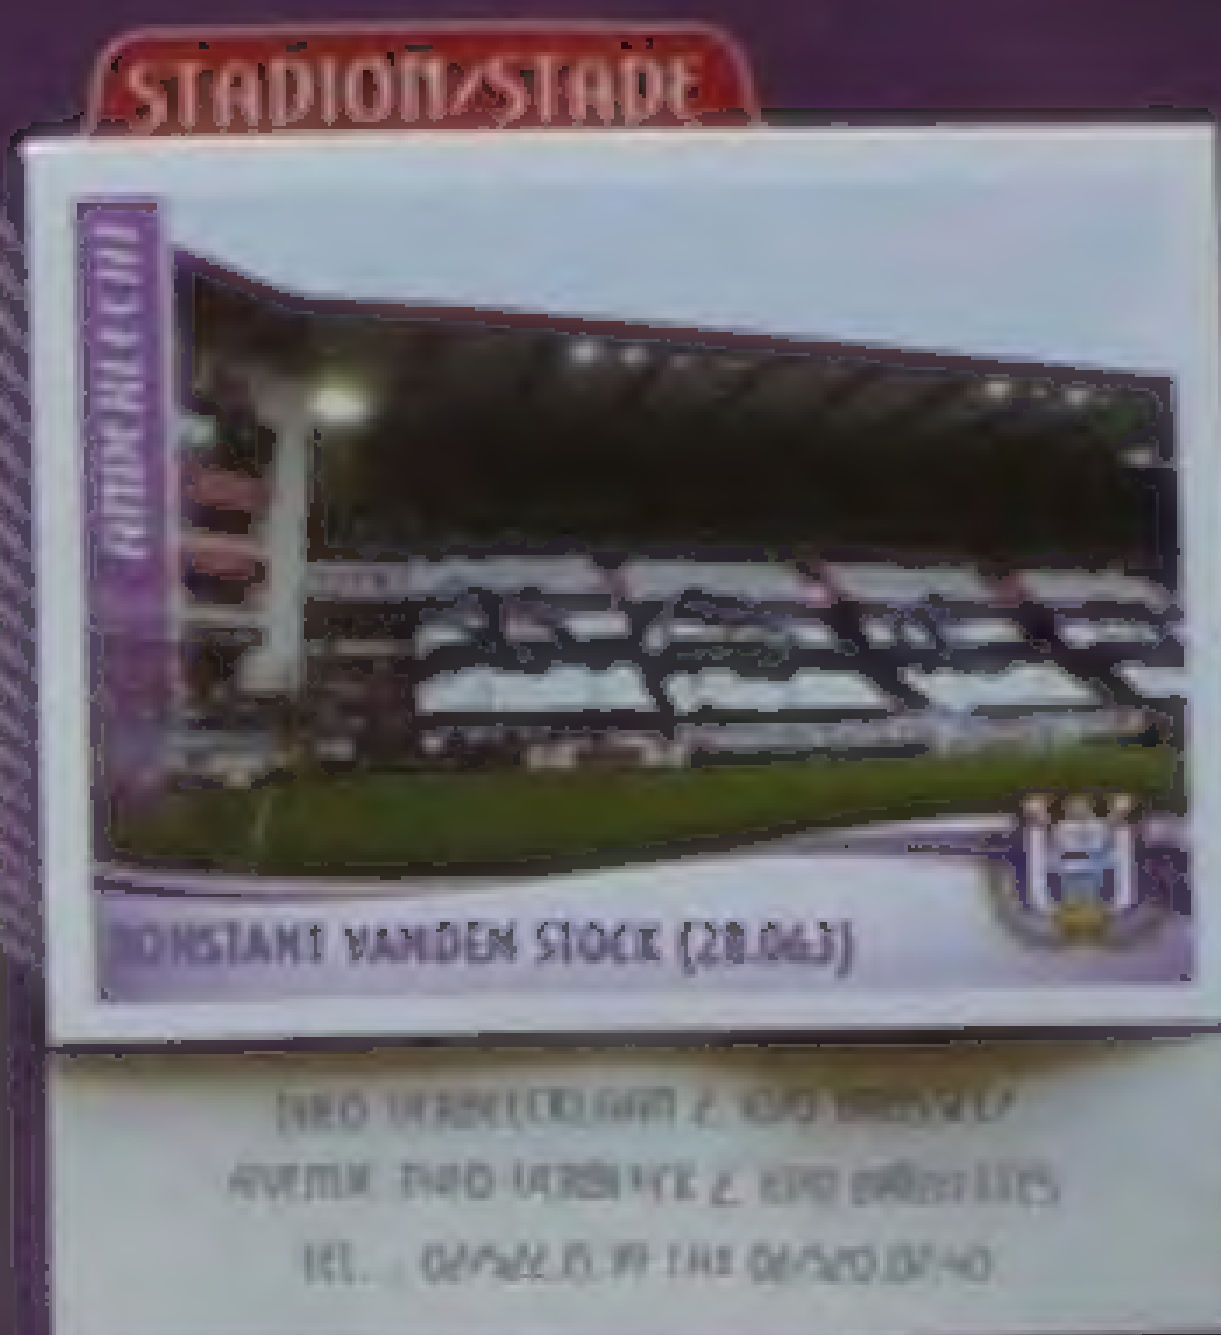

Als Pro League zijn we hiermee ontzettend gelukkig. Het is immers niet de bedoeling om zelf te scoren maar om samen te slagen.
